[18th February 1959

THE HON. SRI C. SUBRAMANIAM : Sir, let me add to what you have stated one more thing. I would also like to make this appeal. Particularly, when we speak about lady Members, I hope hon. Members will keep it in mind that they will have to be chivalrous to them. Especially when they have come into the House in spite of their tradition of remaining in their houses, they should be treated in such a way that more and more lady Members are encouraged to come into the House as Members. If speeches like this are made or even alleged to have been made, I am afraid it will certainly discourage other ladies to come into this House as Members. This point may kindly be remembered by all the hon. Members whenever they make a reference to lady Members. That is my only appeal, Sir.

SRI K. ANBAZHAGAN rose—

MR. SPEAKER : I have already stated that there cannot be any discussion on this matter.

SRI K. ANBAZHAGAN : The Hon. Minister has given some advice. I want to reply to it by way of personal explanation.

MR. SPEAKER : He has only made a suggestion.

SRI K. ANBAZHAGAN rose—

MR. SPEAKER : If the hon. Member wants, he can give a statement and I shall see whether that could be published later.
